Memorandum

Date: November 5, 2014

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Road Closing Petition P-905
Section: 31-54-41
A Portion of Ponce De Leon Road (SW 49 Avenue), from SW 76 Street to SW 78 Street
Commission District: 7

Recommendation

It is recommended that the Board of County Commissioners grant the attached Road Closing Petition following a public hearing. The Miami-Dade County Departments of Regulatory and Economic Resources, Public Works and Waste Management (PWWM), Water and Sewer, and Fire Rescue have no objection to this right-of-way being closed.

Scope

This road closing is located within Commissioner Xavier L. Suarez' District 7.

Fiscal Impact/Funding Source

The Property Appraiser's Office has assessed the adjacent property to this right-of-way at \$18.60 per square foot. Therefore, the estimated value of this right-of-way would be approximately \$291,555.00. If this right-of-way is closed and vacated, the land will be placed on the tax roll, generating an estimated \$5,426.00 per year in additional property taxes. The fee for this road closing is \$29,955.50.

Track Record/Monitor

PWWM is the entity overseeing this project and the person responsible for monitoring is Mr. Leandro Oña, P.E., Chief, Roadway Engineering and Right-of-Way Division.

Background

The property owners abutting the east side of Ponce De Leon Road (SW 49 Avenue), from SW 76 Street to SW 78 Street, have joined in signing the petition to close a portion of this right-of-way, in order to incorporate the land into their property to be enhanced and maintained. The zoned right of way for this road is 50 feet, 25 feet on each side of the centerline. In this block the existing right of way is 75 feet, 25 on the west side and 50 on the east side of the centerline.

The subject right-of-way was dedicated in 1939, by "AMENDED PLAT OF GRANADA PARK", recorded in Plat Book 40, Page 21, of the Public Records of Miami-Dade County, Florida. The areas abutting the subject right-of-way are designated "Estate Density Residential".

PETITION TO CLOSE ROAD

TO: Board of County Commissioners
Miami-Dade County, Florida

The undersigned, pursuant to Sections 336.09 – 336.12 Florida Statutes, hereby petitions the Board of County Commissioners to vacate, abandon, discontinue and close an existing public street, alleyway, road, highway, or other place used for travel, or a portion thereof, and to renounce and disclaim any right of the County and the public in and to any land in connection therewith; or to renounce and disclaim any right of County and the public in and to certain land, or interest therein, acquired by purchase, gift, devise, dedication or prescription for street, alleyway, road or highway purposes; or to renounce and disclaim any right of the County and the public in and to certain land delineated on recorded map or plat as a street, alleyway, road or highway.

The undersigned hereby certify:

1. LEGAL DESCRIPTION: The complete and accurate legal description of the road, right-of-way sought to be closed is as follows:

SEE EXHIBIT "A"

2. PUBLIC INTEREST IN ROAD: The title or interest of the county and the Public in and to the above described road, right-of-way was acquired and is evidenced in the following manner (state whether public interest was acquired by deed, dedication or prescription and set forth where deed or plat is recorded in public records):

Dedicated by plat, recorded in Plat Book 40, Page 21, of the Public Records of Miami-Dade County, Florida. The plat contains a reverter clause which stipulates that the right of way reverts to the owners when it is lawfully and permanently discontinued.

3. ATTACH SURVEY SKETCH: Attached hereto is a survey accurately showing and describing the above described right-of-way and its location and relation to surrounding property, and showing all encroachments and utility easements.

4. ABUTTING PROPERTY OWNERS: the following constitutes a complete and accurate schedule of all owners of property abutting upon the above described right-of-way.

5. ACCESS TO OTHER PROPERTY: The undersigned certify that in the event this petition is granted no other property owners will be prevented from access to and from their property and no other property owners in the vicinity will be adversely affected.

6. GROUNDS FOR REQUESTING PETITION AND PROPOSED USE FOR THE LAND BY THIS REQUEST: The undersigned submits as a grounds and reasons in support of this petition the following (state in detail, why petition should be granted):

Petitioners are requesting to close 25 feet on the east side adjacent to their property in order to maintain it and keep it clean. This portion of the right of way has never been improved by the County and has been maintained by the adjacent owners. The closing and vacating of this portion of the right of way will relieve the County from any future maintenance responsibilities to keep the land clear of trash or debris.

The road closing would be in line with the existing development trend in the area. The zoned right of way for Ponce De Leon Road is only 50 feet (25 feet on each side of the center line). The area petitioners seek to close was over dedicated by Plat. The section sheet for the area shows a 50 foot right of way to the north and to the south of this block face, which would be consistent with the petitioners' request. A similar petition to close the 25 feet on the east side of the block face to the south was approved by the Board of County Commissioners pursuant to Resolution No. R-12-93.
